

# Bedford District Scouts County Camp 2012 Autumn 2011 Update

GILWELL  
PARK  
4th to 7th  
May 2012

County Camp 2012 is now only six months away. Plans are well under way to ensure it goes with a bang, but we need to know anticipated numbers by 30<sup>th</sup> November, so please let us know you are coming via your GSL ASAP.

## Free Transport

Bedford District are providing free coach transport for all participants from Bedford to Gilwell Park.

Coaches will be available on Friday & Monday for campers and Saturday and Sunday for day visitor. Final details will be confirmed nearer camp.

## Catering

Following feedback from Group Reps we have no plans for centralised catering. Each group will need to bring its own catering equipment and facilities.

## Camp Fees

Camp Fees have now been finalised. For members of Bedford District, this includes free transport but doesn't include food.

	Participants	Adults
Weekend	£35	£15
One Night	£25	£10
Day Visitors	£15	£5

## Questions?

We are keen to answer questions as early as possible so you can get as many members to Gilwell as possible, please ask!

Bob Calver - chairman@bedfordscouts.org.uk

Peter Davies - ddc@bedfordscouts.org.uk

**ACTION  
REQUIRED**

## Beaver Overnight Stays

The District Team are keen to offer support to any Beaver Leaders who would like to camp their Beavers, please let us know ASAP if we can help.

Indoor accommodation is still available for beavers, although this is being assigned on a first come/first serve basis across the county, so bookings need to be quick.

## More than 45 Activities

There are currently over 45 activities confirmed with more to come.

Please turn over to see what is on offer and who can take part.

Details of many of the activities can be found at <http://www.gilwell24.info>.

## Camp Set Up

It has now been confirmed that pitching can begin from the Wednesday prior to the event and kit can be bought on site up to Friday night.

We hope this will give all groups sufficient time to set up, but if you need any help, let us know, and we can look at finding extra hands for you.

It is now urgent that we provide the organisers with anticipated numbers, particularly so we ensure we have sufficient transport available. Please let us know the approximate numbers of weekend and day visitors, and which day they will be on site, by 30<sup>th</sup> November.
